Things to Know from the Front Office

School starts at 8:40am and ends at 3:30pm

Students may sign themselves IN to the school, but need parent/guardian permission to sign themselves OUT. A **note or parent/guardian phone call in the morning** is what we need to give your student a pass to leave early from school. Students are required to be **here by 9:30 each day if they intend to participate in sports practices, events, or other extra-curricular events.**

Each student is allowed five parent written notes for illness per semester that are excused absences.

Student Drivers: Driving to school is a privilege, which can be taken away at the discretion of school administration. Students who would like to drive must register their car and obtain a parking pass at the beginning of each school year. This pass is \$3.00 and may be picked up in the main office. If that parking pass is lost then another pass must be purchased for \$5. This pass must be visible through the front windshield at all times.

The Delta Troupers

will present

Rehearsal for Murder

December 9th and 10th at 4 p.m (Both Days)

The cost will be \$5.00 at the door

Children fifth grade and younger will have free admittance.

One year previously and on the eve of their wedding, playwright Alex Dennison learns that his fiance took her own life. Alex, however, suspects she was actually murdered; so, under the pretext of having his former cast and crew read for his new play, Alex invites all of the suspicious parties to an empty theater and locks them in until the truth comes out.

CLASS OF 2024: FINANCIAL AID – FAFSA (Free Application for Federal Student Aid)

The FAFSA is the form used for determining state and federal financial aid. You will be able to file the form online at studentaid.gov beginning December 2023. The exact date of the FAFSA opening for the Class of 2024 has not yet been announced. The Indiana filing deadline is April 15, 2024. However, *many colleges* in Indiana have an earlier deadline, both for admission and/or for scholarship consideration - so check with the college/s of your choice for their specific deadline. The FAFSA is completed using “prior prior” year taxes. For the Class of 2024, that will be 2022 tax information.

Due a new law in Indiana, starting with the Class of 2024, all Seniors are “required” to file a FAFSA by April 15, 2024. Meanwhile, the FAFSA itself has changed! Therefore, Delta is offering multiple opportunities to assist parents and students. Please take note of these dates and plan accordingly.

- Please see **attached Class of 2024 FAFSA Events Flyer**
- **College Goal Sunday** is scheduled for **February 25, 2024**, from 2:00 – 4:00 PM at various locations around Indiana. Financial aid experts will be available to assist students and parents in filing their FAFSA. Bring your documents needed. The closest location to Delta High School in the past has been **Ivy Tech Community College**, 125 S. High St, Muncie, IN 47305 – George and Frances Ball Building. Check online at <http://collegegoalsunday.org> for updated information
- Parents and Seniors: Obtain your FSA ID now. Go to StudentAid.gov to create your unique FSA ID. This number acts as your signature on the FAFSA. You should do this step now.
- Please see the **attached Create your FSA ID** instructions & the **attached FAFSA Checklist** to assist in this process. Seniors, these papers are also available on the table outside the Main Office and in your Class of 2024 FAFSA Module.

CLASS OF 2024 CANVAS: 2023-2024 SCHOLARSHIP INFORMATION MODULE

Scholarships will be listed on the Class of 2024 Canvas. Students should check the Scholarship Module on a regular basis for updates and follow all directions specific to the Scholarship. Website links and Applications will be posted on the respective Canvas Scholarship page. There are now scholarships posted for students with Technical/Trade college, 2 year college, and 4 year college post-secondary plans. Please work ahead on these scholarships so that you are able to submit by their respective deadlines.

For **Specific College Merit-Based Scholarships and Financial Need-Based Scholarships**

Check College Websites for their Criteria, Application, and Deadlines

College Admission TRANSCRIPT REQUESTS

- Senior Transcripts will be submitted electronically via their Parchment account, or via their Common Application account
- Please DO NOT submit a request for a transcript via Parchment if you are using the Common Application site to apply for that specific college.
- Any Senior who still needs their Parchment Code to set up their Parchment account, should see Mr. Spaulding.
- www.parchment.com/register
- If a college requires a Secondary School Report, please let Mrs. Calloway or Mr. Spaulding know. Not all colleges require this.

College Admission Applications

- Seniors should submit College Admission Applications by the deadlines set forth by your prospective colleges. Many colleges have early deadlines for scholarship awards based on admission application information. These deadlines and scholarship information will be posted on the college websites.
- Be sure to check if your college requires your SAT or ACT scores directly from the testing company. If it does, go into your SAT or ACT account and request to have your scores sent to your college.
- As long as you indicated to have your SAT or ACT scores sent to Delta High School when you took the SAT or ACT, we will have those scores on your transcript. If you are close to your college admission deadline when you take the test, you should indicate to have the scores sent directly to the college, since scores will arrive faster to your college that way.
- Many colleges are now "test optional." This means you may apply for admission without an SAT or ACT test score. Know your college admission requirements. Check their websites.

SCHEDULING

Scheduling for the 2024-2025 school year is on the horizon! Begin your discussions now at home encouraging courses that will successfully lead your student to their next step after high school. Counselors will have 9th, 10th, and 11th Grade Level SRT meetings to review course offerings, diploma requirements, college admission requirements, and dual credit options.

Counselors will then meet in classroom groups with students to submit course selections.
