With a parent note, students may be excused from school when they do not have a final exam.

Students can not come and go in between finals(during the school day), even with a note.

These are **not considered absences**, so students may participate in extracurricular activities on those days.

For Example, if a student has an exam both in the morning AND in the afternoon, they must be here all day, they cannot leave in between exams.

If a student has a morning final only, with a Parent WRITTEN note they may leave after that final.

If a student has an afternoon final ONLY, with a parent WRITTEN note, they may come to school just before the final.

ONCE the Final exam has STARTED, the classroom cannot be interrupted, and the students may NOT leave the classroom until the Exam period is over.

Sales are under way for the 2024 Delta High School yearbook. The classes are again hard at work on the annual book. This year's theme is 24:7, which highlights the year but also the idea that our students work seemingly 24:7 to be successful in their academics, athletics, and extracurriculars. More than 50 students are working on the yearbook.

The book again is the same price as in past years: \$48. To order, go to yearbookordercenter.com and enter our school code of 40285. You will be able to order at that site with a credit card. Optional name-stamping personalization on the cover is an additional \$5.

Orders also can be placed at school with Mr. Cleland in Room 124 with cash or checks (payable to Delta HS). At school, a downpayment of \$16 will reserve a book, then you can finish the purchase with two additional payments of \$16 later in the spring.

Anyone with questions may contact yearbook sponsor Tim Cleland at tcleland@delcomschools.org

CLASS OF 2024: FINANCIAL AID – FAFSA (Free Application for Federal Student Aid)

The FAFSA is the form used for determining state and federal financial aid. You will be able to file the form online at studentaid.gov beginning December 2023. The exact date of the FAFSA opening for the Class of 2024 has not yet been announced, but the website currently states it will open “by December 31, 2023.” The Indiana filing deadline is April 15, 2024. However, *many colleges* in Indiana have an earlier deadline, both for admission and/or for scholarship consideration - so check with the college/s of your choice for their specific deadline. The FAFSA is completed using “prior prior” year taxes. For the Class of 2024, that will be 2022 tax information.

Due a new law in Indiana, starting with the Class of 2024, all Seniors are “required” to file a FAFSA by April 15, 2024. Meanwhile, the FAFSA itself has changed! Therefore, Delta is offering multiple opportunities to assist parents and students. Please take note of these dates and plan accordingly.

- www.parchment.com/register
- If a college requires a Secondary School Report, please let Mrs. Calloway or Mr. Spaulding know. Not all colleges require this.

College Admission Applications

- Seniors should submit College Admission Applications by the deadlines set forth by your prospective colleges. Many colleges have early deadlines for scholarship awards based on admission application information. These deadlines and scholarship information will be posted on the college websites.
- Be sure to check if your college requires your SAT or ACT scores directly from the testing company. If it does, go into your SAT or ACT account and request to have your scores sent to your college.
- As long as you indicated to have your SAT or ACT scores sent to Delta High School when you took the SAT or ACT, we will have those scores on your transcript. If you are close to your college admission deadline when you take the test, you should indicate to have the scores sent directly to the college, since scores will arrive faster to your college that way.
- Many colleges are now “test optional.” This means you may apply for admission without an SAT or ACT test score. Know your college admission requirements. Check their websites.

HOW TO FILE THE FAFSA?

What is the FAFSA?

The Free Application for Federal Student Aid (FAFSA) is the most important document for getting money to help your student pay for college. Financial aid is the term used for that money. It comes in the form of grants, scholarships and loans.

To enroll in college in fall 2024, your student will file the 2024-2025 FAFSA. That FAFSA will open in **December 2023**. To qualify for Indiana's state financial aid, your student must file by **April 15, 2024**.

When it is time to file the FAFSA, *the parent(s) and their student* will need to create a **Federal Student Aid ID (FSA ID)**. A *legal guardian* of a student does not.

Resources needed to create an FSA ID:

1. Your Social Security number (SSN)
2. Your full legal name
3. Your date of birth
4. Your mailing address
5. An e-mail address that is unique to you (personal e-mail, not work e-mail)
6. A memorable username and password (store them somewhere safe)

Resources needed to file the FAFSA:

1. Your FSA ID username and password
2. Your Social Security number (SSN)
3. (Optional) Your driver's license number
4. Your 2022 federal tax returns, if applicable (IRS forms 1040, 1040EZ or 1040A)
5. The 2022 federal tax returns for your student (if applicable) (IRS forms 1040, 1040EZ or 1040A)
6. Records of money earned, including W-2 forms and recent bank statements
7. Alien registration numbers or permanent residence cards, if you are not a U.S. citizen
8. Six-digit FAFSA codes for any institutions your student is applying to. Use these codes to send your student's FAFSA information to the colleges. Your student will be able to add up to 20 colleges at a time. Find the FAFSA codes at **LearnMoreIndiana.org/preadmit**. (You can also scan the QR code on the front side of this letter.)

How do I file the FAFSA?

The easiest way to file the FAFSA is online at <https://studentaid.gov/>. The website also provides a printer-friendly PDF if your student prefers to mail their FAFSA or a parent signature form is required.

During parts of the year, there are two FAFSAs open at the same time. Make sure that your student files the 2024-25 FAFSA.

For more information about the FSA ID and FAFSA, visit **LearnMoreIndiana.org/FAFSA**. Furthermore, **LearnMoreIndiana.org/scholarships** has information about additional scholarship opportunities.
