A note from the Secretaries

If you know your student has an appointment causing them to leave early from school, please send a note in or call first thing in the morning and let us know what time you will need your student dismissed. We would like to avoid making calls into the classroom and interrupting the teacher and class time. We understand there are emergency situations but it has become the norm to call just before an appointment to get students out and our calls into the classroom have increased this year.

Senior Ads-

Each year, dozens of families honor their senior student with a Senior Message in the back of the yearbook. This is a great opportunity to have a long-lasting congratulatory message and photos in a keepsake book. Look for the letter, order form, and a sample of messages elsewhere in this newsletter for full details!

CLASS OF 2024: FINANCIAL AID – FAFSA (Free Application for Federal Student Aid)

The FAFSA is the form used for determining state and federal financial aid. You may file the form online at studentaid.gov. Even though the 2024-2025 FAFSA is now officially open, it has been opened with a “soft launch.” This means that it is randomly open throughout any given day! The “soft launch” is to be over by the end of January. For that reason, Project Leadership has moved our original Jan. 29th FAFSA Event to the new date of February 14, 2024. The Indiana filing deadline is April 15, 2024. However, *many colleges* in Indiana have an earlier deadline, both for admission and/or for scholarship consideration - so check with the college/s of your choice for their specific deadline. The FAFSA is completed using “prior prior” year taxes. For the Class of 2024, that will be 2022 tax information.

Due a new law in Indiana, starting with the Class of 2024, all Seniors are “required” to file a FAFSA by April 15, 2024. Meanwhile, the FAFSA itself has changed! Therefore, Delta is offering multiple opportunities to assist parents and students. Please take note of these dates and plan accordingly.

- Please see the attached **Class of 2024 FAFSA Events Flyer**
- Parents and Seniors: Obtain your FSA ID now. Go to StudentAid.gov to create your unique FSA ID. This number acts as your signature on the FAFSA. You should do this step now.

College Admission Applications

- Seniors should submit College Admission Applications by the deadlines set forth by your prospective colleges. Many colleges have early deadlines for scholarship awards based on admission application information. These deadlines and scholarship information will be posted on the college websites.
- Be sure to check if your college requires your SAT or ACT scores directly from the testing company. If it does, go into your SAT or ACT account and request to have your scores sent to your college.

- Many colleges are now “test optional.” This means you may apply for admission without an SAT or ACT test score. Know your college admission requirements. Check their websites.

HOW TO FILE THE FAFSA?

What is the FAFSA?

The Free Application for Federal Student Aid (FAFSA) is the most important document for getting money to help your student pay for college. Financial aid is the term used for that money. It comes in the form of grants, scholarships and loans.

To enroll in college in fall 2024, your student will file the 2024-2025 FAFSA. That FAFSA will open in **December 2023**. To qualify for Indiana's state financial aid, your student must file by **April 15, 2024**.

When it is time to file the FAFSA, *the parent(s) and their student* will need to create a **Federal Student Aid ID (FSA ID)**. A *legal guardian* of a student does not.

Resources needed to create an FSA ID:

1. Your Social Security number (SSN)
2. Your full legal name
3. Your date of birth
4. Your mailing address
5. An e-mail address that is unique to you (personal e-mail, not work e-mail)
6. A memorable username and password (store them somewhere safe)

Resources needed to file the FAFSA:

1. Your FSA ID username and password
2. Your Social Security number (SSN)
3. (Optional) Your driver's license number
4. Your 2022 federal tax returns, if applicable (IRS forms 1040, 1040EZ or 1040A)
5. The 2022 federal tax returns for your student (if applicable) (IRS forms 1040, 1040EZ or 1040A)
6. Records of money earned, including W-2 forms and recent bank statements
7. Alien registration numbers or permanent residence cards, if you are not a U.S. citizen
8. Six-digit FAFSA codes for any institutions your student is applying to. Use these codes to send your student's FAFSA information to the colleges. Your student will be able to add up to 20 colleges at a time. Find the FAFSA codes at **LearnMoreIndiana.org/preadmit**. (You can also scan the QR code on the front side of this letter.)

How do I file the FAFSA?

The easiest way to file the FAFSA is online at <https://studentaid.gov/>. The website also provides a printer-friendly PDF if your student prefers to mail their FAFSA or a parent signature form is required.

During parts of the year, there are two FAFSAs open at the same time. Make sure that your student files the 2024-25 FAFSA.

For more information about the FSA ID and FAFSA, visit **LearnMoreIndiana.org/FAFSA**. Furthermore, **LearnMoreIndiana.org/scholarships** has information about additional scholarship opportunities.
